Located near Grado north of Venice, Italy

Page 1 of 12

**Probably the most well-maintained Cranchi 37. Beautiful, delightful and exquisite.**

**The boat remains on shore and indoor throughout the year, and has merely been in the water 5-6 weeks each year.**

The boat is owned by a Danish, non-smoking family. No prior owners. No charter.

The boat is located in Italy near Grado, north of Venice. From this location, it has sailed lovely voyages to Venice and not least to Croatia through beautiful and idyllic landscapes. The amazing weather and the turquoise and crystal-clear water make the sailing experience a pure pleasure.

The boat is only launched when it is to be used. This is a very well-functioning concept as the boat does not get affected of wear and tear by the weather.

The boat has good sailing properties with a low fuel consumption.

There is a high level of comfort both downstairs and on the deck. The cockpit is large and well-functioning with two sofa arrangements and a seat for the captain. The lower deck is spacious with exclusive accommodations in all of the cabins. Heating and air conditioning systems has been installed in all boat cabins, for maximum comfort in all weather conditions. The Hydraulic Passerelle can also lift a dinghy.

**Price: Euro 100,600, VAT paid.**

Year: 2005 – first launch in 2006

The boat looks elegant and remains well maintained. In July 2018, the boat is upgraded with new equipment worth Euro 5500
